Great service from all staff.

Complete care and attention at all times. Have recommended people. The first person one see's at the Reception makes all the difference, always.

Middleway Surgery has been my family surgery for 30 years. Perfect in every way. Nice to see a male Receptionist!

I have been a new patient for only a few weeks and already I am impressed by the helpful attitude of admin staff, nurse and Dr Monk. Thank you for accepting me. I will try hard not to be a pain and add to your difficult days. Thank you.

Very helpful doctors and staff
